“I would totally recommend this five-day excursion. It allowed us to experience parts of each track that we could only expect if we wished to do a 3/4 day trek. Our guides were professional, knowledgeable and fun. Their love of our country and what they do was awesome. They treated our group and each person's ability with respect.”

Day 5 – Explore Ulva Island and finish in Queenstown

Walk through bush vibrant with birdlife on predator free Ulva Island. This beautiful island sanctuary is home to flourishing populations of kiwi, saddleback and yellowhead birds. We'll return to the mainland this afternoon. Our last journey is a scenic trip through tussock country and small farming towns before we say our goodbyes.
