DAY-BY-DAY ITINERARY

Day 1 – Welcome and Overnight Milford Sound Cruise

Your long-awaited New Zealand adventure starts with a bang! After meeting your guides and fellow travellers in Queenstown, we'll get straight into it by heading for Milford Sound on arguably the most spectacular road in the country or anywhere – the scenery is mind-blowing. This afternoon we'll have a chance to meet the local wildlife of Fiordland National Park while out kayaking (if conditions allow) and spend our first night on a boat in Milford Sound. There couldn't be a more rapid introduction to just how we like to spend our time in New Zealand.

Day 2 – Hike the Routeburn Track

Wake up in Milford Sound this morning to birdsong and the quiet, reassuring lapping of the water against the hull of the boat. Enjoy the crisp, fresh air and leave behind all the worries of the rest of the world – this is what rejuvenating holidays are all about. After we cruise back to the dock and disembark, we'll carry on to hike part of the famed Routeburn Track up to one of our favourite spots, Key Summit, for beautiful views. Overnight in Te Anau.

Day 3 – Bike near Queenstown & Explore Wanaka

Today we leave the rainforest of Fiordland and head for the arid high country lakes of Central Otago. Explore

some of the best bits on two wheels outside of Queenstown, from a historic gold-mining town to the vineyards of Gibbston Valley, before we continue to the mountain resort town of Wanaka. Tonight we'll stay in Makarora, at the doorstep of Mt Aspiring National Park.

Day 4 – Scenic flight into Mount Aspiring National Park, Hike & Wilderness Jet Boat

Get ready for a real Kiwi backcountry experience in style - this is the stuff legendary holiday stories are made of! First fly deep into Mt Aspiring National Park, a UNESCO World Heritage site, and get dropped off for a picnic with views that will blow you away and a taste of what it feels like to be in the wilderness. Then hike back down to the river where a jetboat will be waiting to whisk you back to civilisation and a comfortable bed in Wanaka.

Day 5 – Hike or Bike Wanaka & Aoraki/Mount Cook

If you're feeling active, we'll do an early morning hike up Rocky Mountain to get the heart pumping. If you prefer a more relaxed start, you can do a self-guided walk on a track leaving from our accommodation, or we can organise a bike for a self-guided ride on the easygoing Hawea to Wanaka track around the lake. your eyes as we move from beech forests to the high tussocks, huge skies and glacial lakes of the Mackenzie Country. We'll stay at the foot of New Zealand's highest peak, Aoraki/Mount Cook, for the next couple of nights.

Day 6 – Your Choice in Aoraki/Mount Cook National Park

Aoraki/Mount Cook National Park is home to not only its namesake – our highest and most sacred peak known as “the Cloud Piercer” to Māori looming at 3,724 metres (over 12,000 feet) – but 19 peaks in total over 3,000 metres. This rugged land of rock and ice is a hiker's paradise, and you have several experiences to choose from today, including a chance to get up close to some icebergs on a glacier boat trip or even walk on the ice on a glacier heli-hike (both these options are at additional cost) or hiking and exploring. There is plenty to do and see.

Day 7 – Bike Alps to Ocean Track & Explore Akaroa

We'll start the day today with a bike-ride through the picturesque Mackenzie Country alongside the surreal turquoise waters of Lake Pukaki. The Alps to Ocean track is over 300km in total, and we'll discover some of the most scenic parts. Then it's on to Akaroa, a historic French settlement on a quiet harbour, for our last night together.

Day 8 – Akaroa Dolphin Swim & Finish in Christchurch

We've saved one last 'only in NZ' adventure for this morning – a chance to get up close to very rare Hector's dolphins, the smallest and rarest
