Notes:

We hope this is a helpful tool to help you assess and select the best tour for your upcoming New Zealand travel. We operate fully guided small group New Zealand hiking tours from November to March, starting and finishing in Christchurch, with 13 and 11 day options. You'll hike on the best walking tracks in New Zealand and never forget the iconic New Zealand outdoor activities. Each evening relax in the comforts of home with four star accommodations and enjoy the company of new friends while sampling the best New Zealand food and wine. If you like the sound of our small group guided trips see please get in touch now.

Disclaimer: We have put together our 13 day World Heritage hiking tour after carefully looking at the marketplace and deliberately included New Zealand's favourite walks, once-in-a-lifetime activities in a friendly small groups setting with expert guides, comfortable accommodation and great cuisine. You may find the tour you are assessing us against comes up short, no problem, just get in touch to book your spot on New Zealand Trails now!
